FINANCIAL ASSISTANCE

Bridge Preparatory Academy offers financial aid based on documented family need. The priority deadline to apply for financial aid is April 1st. Prior to applying for financial aid, an applicant must have completed the application process and been accepted to the school. At that time, a family will be considered based on the information provided in the financial assistance application. Financial aid is applied to tuition only, and does not cover application, testing, or enrollment fees. The financial aid application can be accessed via our website.

Financial obligation to Bridge Prep is for the full year's tuition and payment of all fees. For more details, please see the Family Financial Agreement.
